EAGLE ANTICS

Frozen Nuptials

A short love story

Boy Eagle meets Girl Eagle ...

Boy Eagle gets lost ...

Girl Eagle gets angry

Childhood sweethearts, Turquoise H and X, were inseparable.

Their favourite time of the year was winter. They spent the cold, often snowy days at Loch Leven, together with other youngsters.

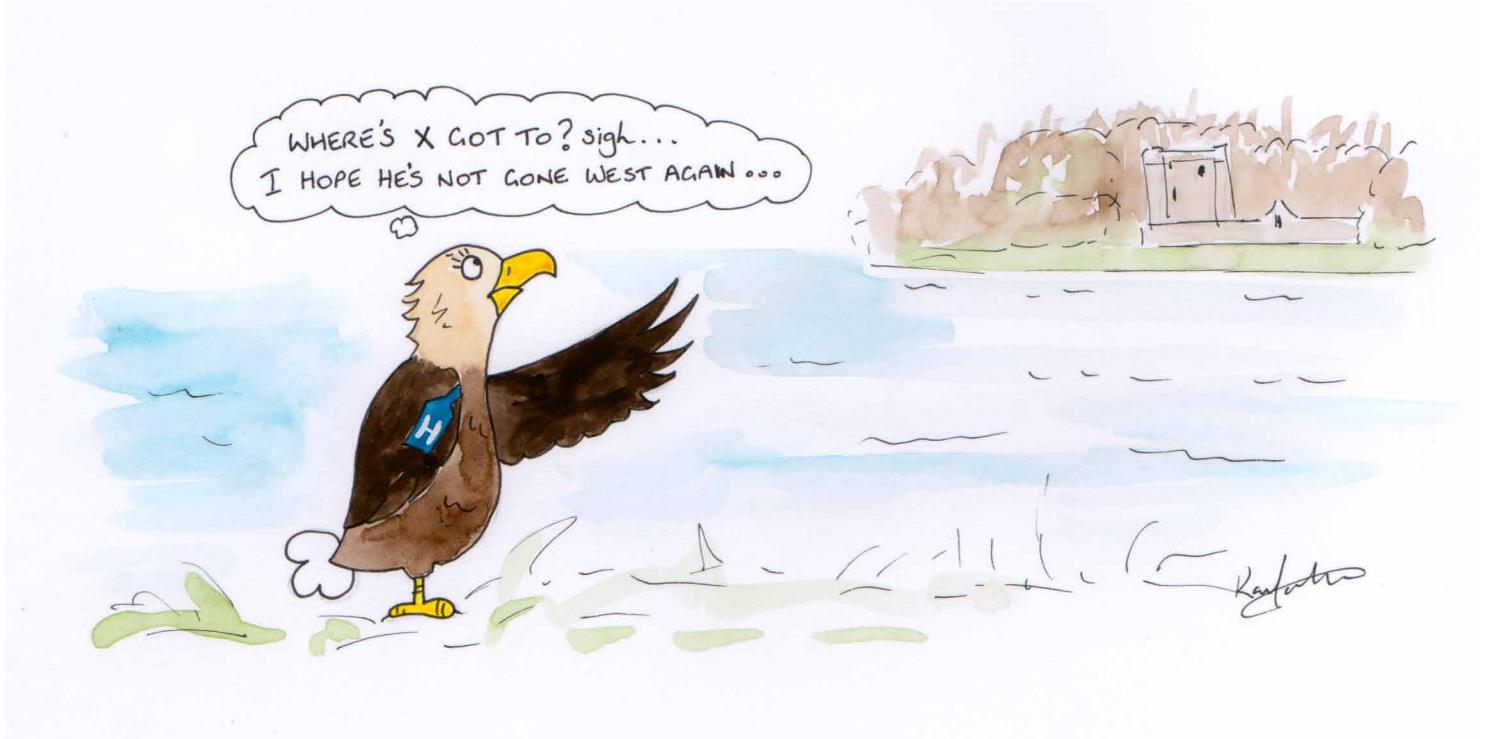

The years passed, white tails appeared, and the romance grew ...

They were inseparable that is, until a couple of years ago.

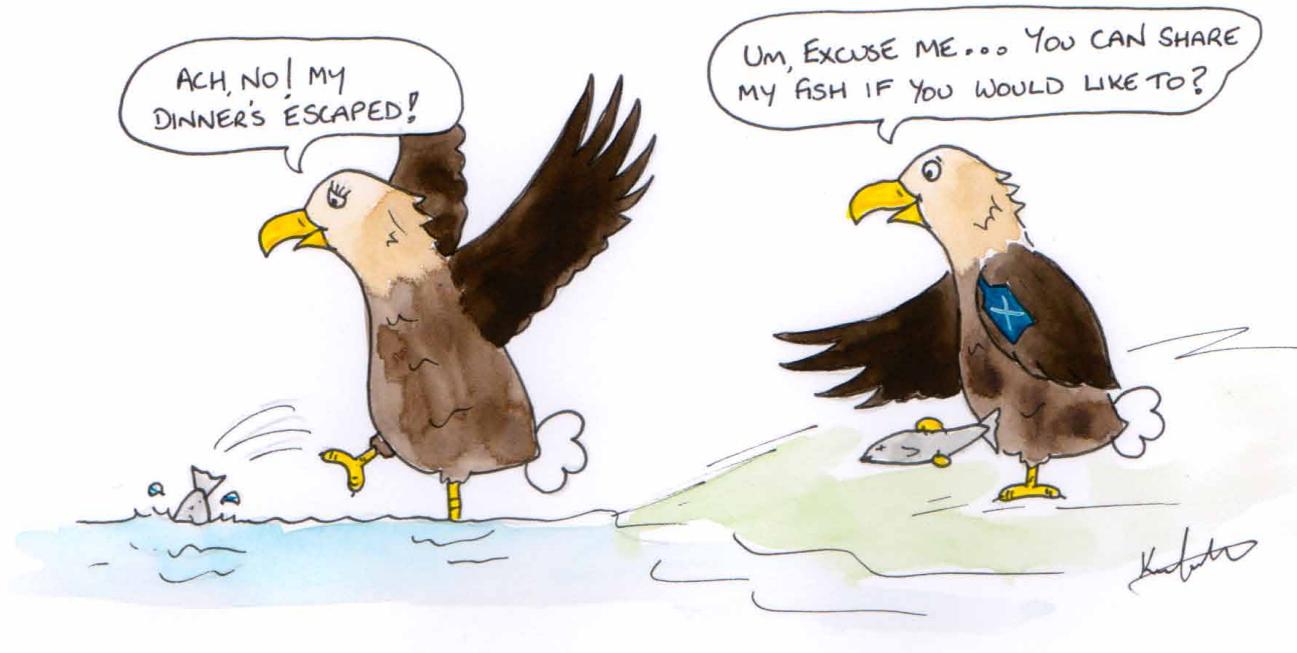

At Loch Leven ...

West ... somewhere

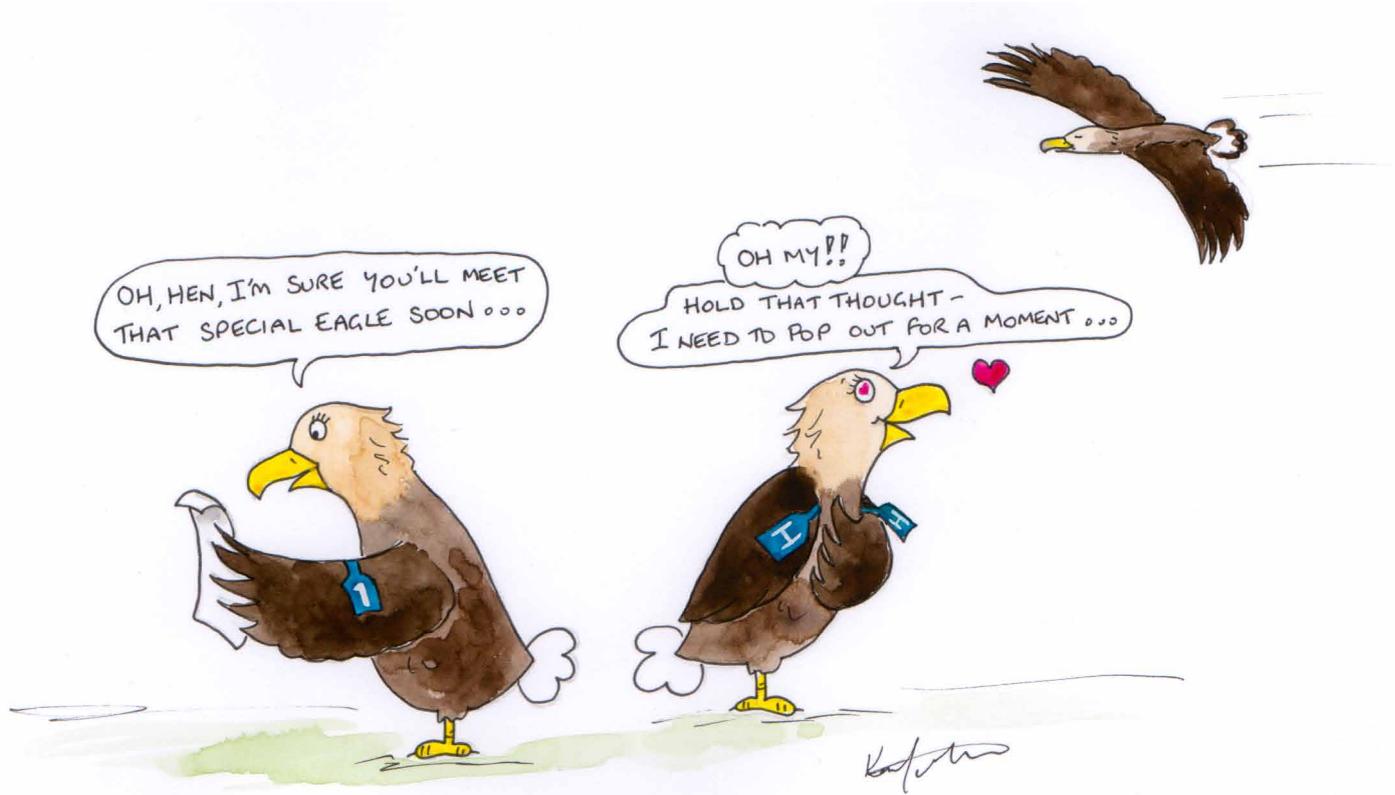

A west coast life was starting to look good for X after he spotted a damsel in distress ...

A few weeks later, things in the east were not quite as rosy ...

But a young male flying overhead suddenly caught H's eye ...

A year later ...

East Boy Eagle is west with West Girl Eagle and East Girl Eagle is east with West Boy Eagle!

Maybe this time the Eagles really will mate for life?!
